Tidsskr Nor Legeforen 2020; 140: 1891–6.

In the English version of the article, the following should read in Table 1:
Patients with COVID-19 confirmed by a laboratory, *who were hospitalised in the period two days before until 14 days after sampling date, and/or inpatient admissions where the patient was diagnosed with U07.1.*

We apologise for the error, which has been corrected online.
